The Mason LINE

by Chan Mason

We returned home from a week's vacation in the White Mountains of Arizona last week and tried to catch up on some of the local goings-on by reading last week's Review.

We ran across two items of more than usual interest, we think.

One item appeared under the picture of outgoing and incoming Lions Club officers and had to do with their installation ceremonies at Michael's. The article read something like this:

Pictured above are incoming Lions Club President Al Coles s-h-r-d-l-u Don Johnson re-x-z-l last night Michael's installation P-y-r-z-w-q-l-u-l % club-O g-l-u-b-y

We must admit that the above could have been part of a dastardly plot on the part of the Editor and Publisher of the Review who was recently installed as president of the L. G. Kiwanis Club—or it could have been a case of good monitored factual verbatim reporting.

—ML—

The other item which should have been headed "Facts we doubt ever happened" but actually was headed, "Rev. Apra family attending Convention." It went on to say that "Ginnie Apra was a delegate to the National Convention of Congregationalists which was being held on the Campus at Yale University."

This we can understand, as Ginnie is a smart little gal, but then the article said,

"Also attending the Convention was her husband, the Rev. Dan Apra who carried the status of visitor and would take no part in the business of the convention." Ha! If we know Dan's, the Congregationalists would have been safer to have invited a few visitors from Puerto Rico if it were peace and quiet they were looking for.

FEEL A TWINGE OF CONSCIENCE?

Wisconsin enacted a new law recently which says, "No person shall throw or otherwise deposit any match, lighted cigar, cigarette, burning tobacco or other burning material, emptying any lighted pipe or any other type of debris, including bottles, beer cans, garbage or waste material on or along any public highway, parkway or railroad right of way in the state—"

Wins Twirling Championship

Patty Corle

A Lemon Grove young lady, Patty Corle, age 6, daughter of Mr. and Mrs. Thomas Corle, 7928 Barton St., won first place last week in the Aerialist Division of the National Championships at Baldwin Park. The twirling contest was a National Baton Twirling Association event and carries with it all the fame of any national event.

Patty, winner of many local and state events, will compete in the state championships to be held in Los Angeles in July.

Patty's brother, Tommy, rated a third place in the last state contest in the twirling drum major classification. He also took second place in the Maytime Band Revue contest earlier this year. He plans to enter Lemon

Enlarged School Board to Meet Twice Monthly

Energized by two additional members, the Lemon Grove School Board last week agreed to set up a "table of policy" so that succeeding members might have a better guide to follow. It will also give the public, students, teachers and school administrative staff a clearer picture of the board's operation, they decided.

Two new members sat for the first time. They are Bert Betts and Channing Mason. Re-elected to the board was Robert Brown. Harry Griffen and Frank Armstrong.

Mandatory under California School Law, the board as they must on the first day of July, elected new officers. Frank Armstrong, who was elected to the board last year, was named president. Robert Brown, re-elected at the last election, was named vice president and Bert Betts, the CPA, a newcomer to the board, was named clerk.

Among the other items decided upon at the first meeting at which the enlarged board officially sat were: to hold two meetings a month for the next three months to keep the heavy calendar up to date; to meet the 2nd and 4th Mondays each month at the school administration building on Acacia St. and to approve final plans for 4 school rooms at the Vista La Mesa Elementary School. Because of space limitations, no other additions may be made at Vista La Mesa, the board decided. The same situation holds true at Golden Avenue, they pointed out.

At the Grossmont High School District the Grossmont School Board re-elected C. H. Foster of Lakeside as president of the board for the coming school year and Lester L. Freeman of La Mesa to continue as clerk of the board at its annual organization meeting. Foster has served continuously as president since 1942 while Freeman has been clerk since 1949.

Other members of the board are Rexford L. Hall of El Cajon, Charles Irwin, La Mesa and Palmer Svalstad, Lemon Grove.

Grossmont, Helix and the new high school in El Cajon are operated under the policies established by the Grossmont Board.

Mrs. Irma Sears was continued as secretary to the board.

All school board members serve without compensation.

Blottin's Sheep Brings 32 1/2¢ Per Pound

Leonard Blottin, 2568 Bonita St., was named winner in the sheep division for his entry of an animal at the County Fair last week.

Blottin received first prize for a prime lamb which weighed 100 pounds and sold for 32 1/2¢ per pound. Mrs. Warren Hooper of El Cajon made the purchase.

The Woman's Auxiliary will meet at 2:00 p.m., Monday, July 12. Plans for the Harvest Festival to be held in the middle of September will be discussed. All women are welcome.

The second of the summer series of card parties will be held in the Church rooms on Tuesday, July 13, with sandwiches and coffee served at noon. Mrs. A. B. McTear is Chairman.

Mrs. Sue Dore has been appointed Chairman of the Church Periodical Club; her sister, Miss Anne Tanner, will continue as Chairman of the Church Mission work.

Mr. Ray Bierwirth, assembled several tables and benches under the pepper tree for the use of the Church members.

Grove Junior High this fall. Another brother, Bobby, is a tap dancer and has entertained at the USO and other gatherings. The children's father, Thomas, is an inspector at Ryan's.

During the parade at Corona on Sunday, Tommy won first prize in the boys' division and third prize in the arealist division.

Patty placed second in the parade.

Annexation Report to Be Given Friday

The Lemon Grove Men's Club will hear reports Friday on their request for a survey by the city to annex Lemon Grove. During the absence of George Casteel, who is vacationing, Harry Griffen will preside.

Another report expected to be turned in will be the one requested several weeks ago on evaluation of the effectiveness of the Lemon Grove Chamber of Commerce under its present set-up. Consideration of a paid secretary-manager will be part of the report.

The youngest person to hold membership in the organization became Nicky Griffen when he was unanimously accepted into the club.

No Raise in Taxes, Water Rates With El Cajon Annexation, Says Harry Griffen

A favorable vote on the annexation of El Cajon Valley Irrigation district to the La Mesa, Lemon Grove and Spring Valley Irrigation district will benefit all parts of the District and will in no way raise taxes or water rates in the District, Harry Griffen, the Lemon Grove Men's Club Friday.

Griffen, who represents this area on the board of directors of the Irrigation District, made it clear that the annexation will not create any needs for new facilities which aren't already needed.

"The lands of the El Cajon Valley District are interwoven with the lands of our own district now," Griffen said. "Our lines criss-cross the El Cajon Valley District lands. We must maintain these lines across their lines, so we might as well be collecting taxes from those lands and making water sales to them."

Griffen pointed out that annexing the El Cajon District and the many "islands" in the La Mesa district which are seeking inclusion, will strengthen the district by creating greater tax base and more customers for water. By this means, he said, existing and future debt of the district is spread over a wider area, thus reducing the amount of debt carried by each individual parcel of land.

He said that some of the potentially valuable lands in this part of the county is included in that which will be annexed if voters of the Irrigation District vote favorably on July 20 at the special election.

In answer to a direct question from Dr. Frank Gigliotti, representing the San Diego County Taxpayers' Association, Griffen said there is no basis for the rumor that annexation will bring about an increase in tax or water rates of the Irrigation District. He pointed out that, on the contrary, whatever the share of debt and operating costs a particular piece of land in the District now carries, its share would be less when the total size of the District is increased by the annexations.

The club was told that water lines costing \$829,416 which will be built as a part of the distribution system paid for by bonds voted by the El Cajon Valley Irrigation district, will serve lands now in the La Mesa District. If the annexation is not carried through, the present La Mesa district will be faced with the necessity of constructing these lines to serve its own lands in the El Cajon area, Griffen said.

The meeting will be in September at the school cafeteria. Date and speakers will be announced later.

The Dixon LINE

By Friend Dixon

We are not surprised in the least in the cigarette manufacturer versus the medical profession controversy. It was bound to happen. The ridiculous claims made by the tobacco men have reached an all time high, or low, depending on one's viewpoint and we hope to see the advertising exuberance curbed to a rational and ethical pattern.

A recent issue of the Review carried a denigrating picture of Brother Columnist Mason shooting craps, as we first glimpsed it. But, on further perusal, when we saw our stern visaged School Superintendent in the background, we knew then that the action shot pictured a much milder form of exercise—that of shooting mibs with the kids. We hope they collected! Chan is really handsome in this pose!

Have I not in my time heard lions roar?"

At least she was impressed with the advice and would have none of it and said "Yas Ma'am—ah understands, but that birth control you talk about is all right for you single folks but I'm married."

High School Board Approves Lights For Helix

The Grossmont Union High School District Board, at a special meeting held June 30, approved a \$27,805 contract for installation of lights at the Helix stadium to Albert F. Gauss Co. of Chula Vista.

A seven cent rate for use of private automobiles on approved school business by employees of the district was approved.

Report of operation of Helix and Grossmont cafeteria showed a profit of \$12,600 for the year. If the volume of surplus commodities supplied under the federal program is continued, lower prices may be instituted, since the district policy is to furnish food services at cost to students.

The board also voted to continue the following rates now in effect for hourly and day to day service for the 1954-55 fiscal year.

Adult Education classes, Summer session, Continuation school, Home instruction for handicapped \$3.70 per hour. Day to day substitute teacher, \$17.00 a day. Operation of driver training car for adults, \$2.00 per hour.

New Zoning Ordinance Passed

Unanimous approval by the Board of Supervisors was given Tuesday to the County Zoning Ordinance for unincorporated areas.

Proponents claim the new ordinance will eliminate inconsistencies but will not zone anything not now zoned. It will bring the county zoned area under closer control of the Planning Department, however.

A 4-1 vote by the supervisors to over-rule a denial of a variance will be required.

WATER WORKS REPLACING LEMON GROVE PIPES

Shaffer and Towers, contractors, were awarded the Lemon Grove Water Works contract for pipe line replacement \$16,057.70. The award was less than the estimate \$16,472.45.

Pipe line replacement will be made on Panorama Dr., Quarry Rd., Central Ave. between Lamar and Palm, Rosedale east of Bancroft, and a new line on Taft.

Water works officials stated that work would begin within thirty days and that better service would be the result. The entire program requires an expenditure of \$29,928.55.

JOIN UNIFIED DISTRICT FOR ANNEXATION DEMANDS BOARD OF EDUCATION

If Lemon Grove were to annex to San Diego, the Board of Education would demand that the area join the Unified School District and share the district's bonded indebtedness, the Board announced this week.

Ivy Geranium—Living Symbol Of Lemon Grove

"Plant me and forget me," could well be the words spoken by an Ivy Geranium. This colorful garden item thrives so well on neglect that it seems to invite lack of attention and surely needs no extra fussing to make it a showy bank of color the whole summer long. Available in Lemon Grove as flat grown plants in red, rose, pink, lavender, purple and white there is a good color range with which to work.

The uses for ivy geranium are varied. Bank cover—curb planting—hanging pots—window box—

es and even as house plants for a sunny window where everything else, except cactus, would fry. And the results for the little effort required are always amazing. As flat grown ivy geranium is seldom heavily rooted, care should be taken in starting off the new plants. A daily soaking and a top mulching of 1/2 inch of peat moss should keep them from drying out. If the weather is hot, shading should be set up for the first week or ten days.

Having developed a vigorous growth on a planting of ivy geranium it is wise to keep them trimmed regularly to induce short bushy growth and new flowering wood. Also regular spraying should be made to control woolly aphids which is the prime pest of ivy geranium. Watering pockets should be made when the plants are set out into the open garden as cultivation becomes impossible due to the heavy growth of the plants and the shallow root structure. The water schedule should be in the nature of twice a month soakings to induce deep root penetration. Fertilizing is seldom needed unless the plants develop symptoms of malnutrition. Generally the entire geranium family are light feeders and a yearly mulching of steer manure or garden compost should be adequate for their needs.

LEMON GROVE REVIEW

Lemon Grove, California

Dear Max:

I wish to express my deep appreciation for the fine manner in which my campaign advertising was handled by your organization and for your fair and impartial reporting of various pre-election events.

I am cognizant of the great value of newspapers to the everyday life of the individual and realize that the public is able to vote intelligently, largely through the efforts of newspaper publishers who bring the pertinent information to their attention. I send kindest personal regards and best wishes.

Cordially yours,
JAMES B. UTT
Member U. S. Congress

On behalf of the Recreation Commission, thank you for the many encouraging comments which have appeared in your paper.

The recent piece on the recreation program has done much to recreate interest for the summer program.

After visiting the La Mesa Pool, Park and Youth Center, we can understand why La Mesa is proud of their efforts. It must be satisfying indeed to smug La Mesans to have such fine recreation programs for their youth. We understand it takes a great deal of enthusiasm, patience, money and a well placed site to make it possible.

We hope the many clubs, commission and our Chamber of Commerce will always consider our youth in their future plans.

Sincerely,
Barbara Cohenour, Publicity

SLEEPING PEACEFULLY after being "dead" two minutes, Paula Deman, 3, is unaware her father, William, is kissing her hand through bars of crib at Hollywood hospital. tion will be, "Ghosts," a tragedy in three acts. It was written by Henrik Ibsen, who was the author of such plays as "Doll's House," "Enemy of the People" and "Hedda Gabler."

The next play will be given at the Lemon Grove Cafetorium which provides a larger stage, more seating capacity, more parking area, and a centrally located place.

These local thespians are enjoying putting on these plays and would really enjoy having the support of the community so they may continue to offer these productions and can bring bigger and better shows to the community.

Charles Glaser Wins Two Prizes At Fair

Charles Glaser, age 18, son of Louis Glaser, operator of Lemon Grove Radiator Co., won first prize in the lightweight class at the County fair last month with his Hereford steer, and later sold it for \$35 per 100 pounds.

Charles is a member of the F. F. A. and a Grossmont High School student. He also designed a stock trailer for taking his steer to the contest, and won a first prize in the trailer contest.

'Suburban-Commercial' Zoning Asked

Establishments of a "suburban commercial zone" ordinance, presently being sought by La Jollans, met with approval "in principle" from directors of the Chamber of Commerce.

The proposed zoning would impose restrictions on land use in areas which apply for such zoning, enabling neighborhoods to retain attractive non-commercial appearances, according to those who seek passage of such an ordinance.

Chamber directors said they favored the legislation because they felt that residents of neighborhoods should have a voice in regulating the appearance of an

area in which they reside. It was pointed out that the ordinance would not impose zoning but would enable areas to secure such planning.

To eliminate frequent replacement, build garden structures with Chemomite-treated lumber, advises Dr. Gordon of the University of California.

Local Couple Becomes Grandparents

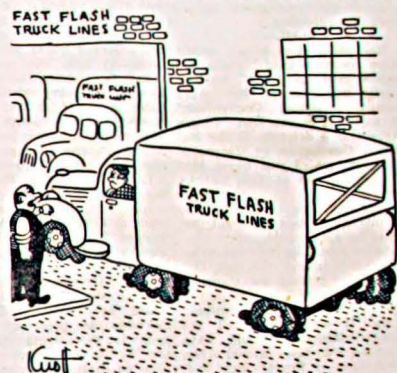

A baby born in Las Cruces, N. M., made a Lemon Grove business couple grandparents. P. A. Headrick, of Las Cruces, said an 8 1/2 pound baby boy was born two weeks ago and was promptly named Stanley Fredrick Headrick. The grandparents are Mr. and Mrs. Louis Glaser of 7222 Rosemary Lane.

Sweet Beet Train

Imperial Valley sugar beets on their way to California processing plants to make home grown California sugar. Atop the first train with tons of the silver beets is a sweet El Centro lass, Hazel Havens. The home grown California sugar industry pumps \$100,000,000 annually into the state's economy, gives direct employment to about 20,000 people in the fields and in 11 processing plants. The four California beet sugar processors are American Crystal, Holly Spretels and Union.

Budgets Look Bigger-Stretch Farther At MAYFAIR

Home-townners and visitors alike placed the stamp of enthusiastic approval on the new MAYFAIR MARKET!

They said they liked, most of all, the new low prices which mean so much in terms of savings for homemakers and their regular weekly shopping lists.

They also liked the courteous, adequate personnel and the faster MAYFAIR check-out arrangement.

All were in agreement, too, that you get more for your money at MAYFAIR!

"I think nothing attracts a housewife like low prices." This is the studied opinion of Mrs. Sam Roth of 4184 Vista Grande.

"I guess I am what you call a fulltime shopper at Mayfair because there are few things that I do not buy there."

"I am an old hand at buying food for a big family. I have two girls both married and a boy away at school but when they were all home it took a lot of shopping for them."

Mr. Roth, who works at Convair is also a veteran Mayfair shopper, she said.

"I have been shopping at this market ever since it opened as Big Ace," said Neal Spangler, 731 S. Magnolia, El Cajon.

Spangler, a welder, said that prices proved to be the magnet which attracted him.

"I was happy with the prices before but the new prices are better. Mayfair certainly has a swell market now," he said.

Mrs. John A. Tone, 1514 Taft in Lemon Grove, likes to bring her children, Jill aged 12 months and Jack 5½ years, with her when she goes shopping.

"I like food club products and I like as well as anything else Mayfair's prices," Mrs. Tone said.

"I am an accountant and my mind runs to figures. I make it a sort of a game mentally totalling the money I save on my shopping trips to Mayfair."

John, her husband, is connected with the T. D. Trucking Co.

For a happy chorus you can hear the market's employees chant "We love Mayfair."

A quartet of happy Mayfair employees who enjoyed service with the market when it was under the former ownership are: Beatrice Erickson, Erma Tipton, Dorothy Wilburn and Ursula Rathschild. Pictured in a corner of the employee lounge in the big Mayfair Market, these ladies evince happiness and contentment.

The Gordon Wickiser family, 7927 Barton Dr., Monterey Heights, are newcomers to California. Mrs. Wickiser and her daughter Anita, shown above, have become regular Mayfair shoppers.

"We simply had nothing like Mayfair back home in Montana," Mrs. Wickiser stated, "the new lower prices are pleasant to accept. Item by item the quality cannot be surpassed."

Her husband Gordon Wickiser is associated with the Union Oil Co. in La Mesa.

McDavid Charges Bonelli Campaign Dishonesty

A challenge to reveal the complete story about his primary campaign expenditures has been issued to William G. Bonelli, Democratic candidate for Board of Equalization, Fourth District, by his Republican opponent, Robert E. McDavid.

"The campaign expenditures reported by William G. Bonelli obviously do not reflect all the facts," Bonelli's billboards and snipe sheets which he spread over Southern California in profusion cost far in excess of the \$8,700.56 total expenditure filed with the Secretary of State."

McDavid's challenge follows closely the publishing of data released by the Secretary of State showing that Bonelli had expenditures of only \$8,700.56. McDavid's own expenditures totaled \$9,291.92, according to the report.

McDavid also pointed out that cost of billboards and other outdoor advertising devices are only a portion of the cost of a campaign. He said, "The cost of window cards, booklets with model answers to 134 selected questions on liquor control and other political advertising material, which Liquor Control Officers forced upon thousands of liquor store and tavern operators, undoubtedly cost more than the amount reported by Bonelli as being his total expenditure."

Bonelli's statement of expenditures is just another example of his half-hidden operations and longtime habit of circumventing the laws of the State and telling the people only half-truths. McDavid said, "The people of Southern California are not naive and I challenge William G. Bonelli to tell the whole truth about the cost of his primary campaign, including the amounts 'collected' from others, as provided by the California Election Code."

L. G. Review—July 8, 15, 1954

Michael Kohn, L. A. attorney and vice-president of the L. A. Police Commission, came home from his Memorial Day week end to discover that thieves, with a fine disregard for protocol, had ransacked his home. They took everything they could conveniently carry including furs, jewelry and some choice cuts from the deep freeze.—FORTNIGHT.

Walter Lange, 68 was tuning a piano in L. A. last fortnight. The piano was in a church and Lange felt, naturally, as safe as if he were in a church. The next thing he knew he regained consciousness suffering from a cut lip, broken nose, and a badly torn hip pocket—from which his wallet had been extracted.—FORTNIGHT.

LOVE LETTER FROM A CUSTOMER!

Sir:

Where the H — was Duncan Hines when he made (a visit to) San Diego? I have eaten in many places in the world, and as far as the west coast is concerned San Francisco was tops in all respects.

Tonight I have changed my mind. Your steak, sir, is out of this world.

I congratulate you!

Young Hunters May Get Licenses By Training

All hunting licenses issued to persons under 16 years of age must either show evidence of having held a license the previous year, or possess a Certificate of Competence, according to Art Berry, operator of the Lemon Grove Home, Auto and Sport Goods Supply, a licensing agency for the State of California.

The Certificate of Competence may be acquired by taking a prescribed course in Hunter Training under a designated instructor. In Lemon Grove there are two such instructors. One is Frenchy Faucher, Lemon Grove Postmaster, and the other is Roger Jones, associated with the Lemon Grove

Camera and Sport Goods Co. These men have completed more than 20 hours of training, on their own time, for this unpaid job, and will commence instructions early in August.
There are other instructors in the Foothills area and a complete list is available at the Home and Auto store. There is no charge for the instruction which is required for the Certificate of Competence.

Red Cross Column

By CHARLES GURLEY
Next Tuesday July 13, the reg-
ular monthly meeting of the Red
Cross will be held at 10 o'clock at
the Lemon Grove Woman's Club
according to a reminder given by
Mrs. G. R. Roberts, chairman of
this branch.

"All members are welcome to
attend these meetings" said Mrs.
Roberts, "and at this meeting the
first time since our National
meeting in Los Angeles we will
have reports on that conference
in addition to our regular routine
business matters."

"If you are not taking part in
this community's Red Cross ac-
tivity, you are overlooking a real
chance to be of service in this
very worthwhile work."

'Patter Parade'

Ratner Recommends... Here
are this week's recommended
records by Ratner Electric, in
downtown San Diego. "Wow" and
"Oh Love of Mine" by Ronnie
Gaylord (Mercury). Also "Hit &
Run Affair" and "There Never
Was a Night So Beautiful" by
Perry Como. (RCA).

Service!... Whenever Bozo
the Capitol Clown makes one of
his many appearances in depart-
ment stores, etc., he always passes
out Bozo masks and balloons. Re-
cently, in a Massachusetts depart-
ment store, Bozo became aware
that an 8-year-old urchin was
shouting at his elbow, "Gimme a
balloon! Gimme a balloon!"

day's story. With this paper's
deadline at one o'clock Tuesday,
several hours before our own
Civil Defense meeting, I phoned

Dr. Gigliotti to see if he had any
ideas, got him out of a sound
sleep after a late meeting in
Tijuana. No scandal, but just a
late meeting at the Rotary Club
held on international relations of
which the good doctor is a spe-
cialist. He very sleepily promised
to call me back but up to right
this minute, no dice.

Fortunately a bulletin came
through from County Civil De-
fense headquarters at Gillespie
Field, Santee, which told some-

thing about Operation Ivy, the
picture you either saw or missed
seeing at our Tuesday meeting.
You may have another chance to
see it as it may be shown at some
of the service clubs later on in
this area.

This bulletin from Gillespie
Field County headquarters told
of the difficulties our officials
are having trying to fit our plans
on dispersal with the limited
highways that are available.
They have found that the poll

registration is almost identical to
the number of motor vehicles and
it is rather easy to see that there
may not exist the same easy
leisure to disperse we are accus-
tomed to exercise at voting times.
Thanks to Col. Trumbull for the
help.
